EG INSPECTION

About EG Inspection

Greetings from EG INSPECTION

EG INSPECTION is an independent third-party inspection and Non-Destructive Testing (NDT) organization providing comprehensive quality assurance services across Poland and Europe. We support industrial and engineering projects by ensuring compliance with international codes, standards, and regulatory requirements, delivering reliable, unbiased, and technically sound inspection solutions.

We are providing increasing levels of services to the best known, largest global and national companies as well as medium & small industries in diverse sectors like Oil & Gas, Petrochemical, Power, Manufacturing, Automobiles, etc.

OUR VALUES:

VISION:

We are determined to build a more efficient service delivery platform to better fulfil our customer needs, in a continuously changing market environment. We succeed at this because of the integrity of our inspectors and staff 's support, our commitment to being respectful and considerate of our clients and of each other, our passion for continuing education for learning the newest innovations of our industry.

MISSION:

We will be the most valued business/inspection partner of all our customers. Our goal is exceeding the client expectations by focusing on their needs. We contend to be recognized as the most decisive and customer focused provider of testing, inspection and verification services in our markets

LEADERSHIP

CEO- Mr. Ganesh Emmadi

CEO Message

The CEO of EG INSPECTION envisions building a globally trusted inspection and NDT organization that sets benchmarks in quality, safety, and technical integrity. The vision is to strengthen EG INSPECTION's presence across Europe and international markets by delivering reliable third-party inspection services that help clients achieve compliance, operational excellence, and long-term asset integrity.

Through continuous improvement, adoption of advanced inspection technologies, and development of highly competent inspectors, the Director is committed to ensuring that "Quality Endures" in every project undertaken by EG INSPECTION.

Qualifications

B.Tech in Mechanical Engineering , **ASNT Member : ID 217315**

IWE / EWE (International / European Welding Engineer)

NDT Level III (ISO 9712:2012 / ASNT) RT, UT, MT, PT, VT

CSWIP 3.1 Welding Inspector

ARAMCO SAP ID: 80056627

- **Technical Excellence** – Applying strong technical knowledge and best industry practices.
- **Customer Focus** – Understanding client needs and providing practical, value-driven solutions.
- **Timely Delivery** – Completing assignments efficiently without compromising quality.

EG Inspection Company – Technical Services & Manpower outsourcing

EG Inspection Company provides comprehensive inspection, quality assurance, and technical manpower services covering all phases of industrial projects. Our expertise ensures compliance with international standards, safety, and reliability.

Our Services Include:

1. Technical Manpower Provision & NDT Audit

- Qualified inspection and engineering professionals
- Onshore & Offshore site support
- Qualification & Audit of NDT Laboratories as per ASNT SNT-TC-1A

- Preparation & Review of ASME-compliant NDT Procedures (UT, RT, MT, PT, VT, etc.)

2. Vendor & Factory Support

- Vendor Evaluation / Factory Audit
- Quality Documents Preparation (ITP, QAP, Technical Procedures)
- Expediting
- Certificates Renewal

3. Material & Welding Inspection

- Raw Material / Inward Inspection
- Welding Documents Qualification (WPS, PQR & WPQR)
- Welding & Weld Overlay Inspection
- Coating & Painting Inspection
- NDT Inspection

4. Stagewise & Final Inspection

- Stagewise & In-Process Inspection
- Final Inspection
- Pre-Shipment Inspection (PSI)

- Commissioning Inspection

5. Mechanical Inspection Services

- Mechanical Rotating Equipment Inspection
(Pumps, Compressors, Turbines, Gearboxes, Fans, Blowers, etc.)
- Mechanical Static Equipment Inspection
(Pressure Vessels, Heat Exchangers, Boilers, Tanks)
- Synchronous Condenser Parts Inspection
(Rotor, Stator, Shaft, Bearings, Cooling Systems, Auxiliary Systems)
- Vibration Analysis Inspection
- Lifting Equipment Inspection
- Insulation & Refractory Inspection
- Shutdown / Turnaround Inspection

6. Electrical & Instrumentation

- E&I Inspection
- Panels, Transformers, SFC / SEC Equipment Inspection

7. Site & Specialized Services

- Onshore / Offshore Site Services
- Soft-line & Hard-line Services

8. Documentation & Compliance

- Dossier Preparation / MDR (Manufacturing Data Report)
- Document verification in compliance with CE and UKCA requirements.

MAJOR SECTORS:

- Oil & Gas Sector
- Power Sector
- Petro-Chemical Sector
- Automobile Sector
- Electrical & Instrumentation Sector
- Soft-line / Hard-line Industry
- Plastic Industry
- FMCG Industry

RESOURCES:

- QA/QC Inspector
- Mechanical / Piping Inspector
- NDE Technician / Inspector – ASNT / PCN / EN
- Welding Inspector - AWS / CSWIP
- Coating / Painting Inspector - NACE / FROSIO / B-GAS
- Plant Inspector - API-510,570,580,653,936, etc.
- Lead Auditor - IRCA / CQI
- E&I Inspector – APEX / COMP-EX

EG INSPECTION

- Food Inspector
- Automobile Inspector
- Civil Inspector
- Soft-line / Hard-line Inspector
